APPLICATION FOR ALASKA INCLUSIVE CHILD CARE

A child with special needs as described in 7 AAC 57.940 who is under 13 years of age may qualify for a supplemental program rate if the child's special needs are documented by a health professional; and the provider establishes, in consultation with the child care resource and referral agency assisting the family, that the child requires additional services due to the child's special needs, and that those services have an additional cost. Additional funding may be approved as a one-time payment or multiple payments depending on the child's specific needs and the additional cost for services and/or accommodations provided.
