## Definitions applicable to approved relative providers:

**7 AAC 41.205 (e)** “individual having contact with children in care is an individual who has the opportunity to gain access to any area where child care is provided, a member of the provider’s household, or an individual who resides in a part of the premises where child care is provided. An individual in contact with children in care does not include:

- (1) a parent of a child in care, unless the parent is a caregiver or a member of the provider’s household;
- (2) a parent's designee to drop off and pick up a child in care, unless the designee is a caregiver;
- (3) a personal physician, an infant learning teacher, an attendant for a child with special needs as described in 7 AAC 57.940, a licenser, a fire marshal, a food services sponsor, or another similar individual who occasionally provides support services to the child care facility or to a child in care;
- (4) an individual who is a vendor or an industry representative, or who provides delivery, installation, maintenance, or repair services, if the provider provides supervised access while that individual is present in the child care facility while children are in care;
- (5) an occasional guest of the provider or of a child in care, if the provider provides supervised access while that guest is present in the child care facility;
- (6) an individual who resides in a part of the premises that house a child care facility, if the
  - (A) individual is not a caregiver;
  - (B) individual remains or intends to remain in the child care facility for less than 45 days, in total, in any 12 month period; and
  - (C) provider provides supervised access if the individual is present in the child care facility while children are in care; or
- (7) an individual coming into incidental contact with children during an outing away from the child care facility.

## AS 47.12 Delinquent Minors

AS 47.12.310(e) A person may authorize the department to release information to the military or to a prospective employer about the existence of a delinquency adjudication against that person under this chapter and the offense on which it was based.

## AS 47.32 Centralized Licensing and Related Administrative Procedures

AS 47.32.140(d) The department may take one or more of the following enforcement actions under this section...

- (5) nonrenewal of the entity’s license;
- (6) revocation of the entity’s license or, if the entity is not licensed under this chapter, revocation of the entity’s ability to become licensed under this chapter;
- (7) issuance of an order requiring closure, immediate or otherwise, of the entity regardless of whether the entity is licensed or unlicensed...

A matrix of the barrier crimes identified in 7 AAC 10.905 is available on the Child Care Program Office website at: <http://dhss.alaska.gov/dpa/Pages/ccare/regs.aspx>
